**Re: Ellsworth Industrial Park Site
Downers Grove, Illinois**

Dear Mr. Enwiya:

Enclosed, on behalf of Magnetrol International, Inc., are documents responsive to Mr. Krueger's June 12, 2006 letter. I have enclosed the following documents:

- The October 26, 2005, transcript (with exhibits) of the deposition of Loren Data.
- The October 25, 2005, transcript (with exhibits) of the deposition of Joseph Fiedler.
- The November 17, 2005, transcript (with exhibits) of the deposition of Harry Klimek.
- The October 25, 2005, transcript (with exhibits) of the deposition of James Jani.
- Magnetrol's responses to Interrogatories in *Muniz v. Rexnord Corp., et al.*
- The June 14, 2006, expert report of CPI Environmental, Inc., on behalf of Magnetrol, in the *Muniz* matter.

Magnetrol has previously produced, in its 104(e) responses, all available maps, figures, and drawings "depicting the facility and/or depicting the nature or location of any buildings, equipment, utilities, sewer lines, and any other non-natural features at the facility." Additionally, Magnetrol is not producing documents produced to you on June 23, 2006, by Mark Bilut of McDermott, Will & Emery (representing Rexnord Industries, Inc.). Those documents produced by Mr. Bilut include reports and data from investigations of specific properties in the EIP, including Magnetrol's property.
